## **pool is to wade**

*for Ensemble, Robert Geary, conductor*

pool is to wade  
faces of jade pools, waiting, schooled  
in phrases  
*Oh My God*  
let's pool together and sing  
sheer joy of partaking  
like clear gossiping  
each lost in a dream  
wondering, how do I seem?

Accidentals apply only to immediate pitches, excepting tied or repeated notes. A barline cancels all non-tied accidentals

Underlined text represents IPA characters
